1. Data collected from state election authorities and processed by Polidata. Recount totals and/or later updates may be missing.

2. Republicans in Bold; Independents in Italic. VAP for Voting Age Population, estimates from Bureau of the Census.

3. Incumbency indicator follows last name. Incumbent (*), candidate representing the party holding the seat (+), former incumbent (&), party switcher (@), status unknown (-).

4. Legislative counts are based largely upon results following the general election only. Discrepancies may exist due to a variety of sources for this information.

5. Net Flag (NF) indicates a gain or loss for the party based upon incumbency/open seat status. May not be evaluated for multi-member races, special elections or early years.
