POLIDATA (R) Demographic and Political Guides. All Rights Reserved. Copyright (c) 2005. Polidata. www.polidata.org

1. Data formatted by Polidata from data collected from state authorities. Each line represents a county equivalent in the top or bottom ranks for all units in the state.

2. SEQ is the reference line number for the table, CY is the FIPS County Code. (Refer to the County Detail tables, infra., for votes for Others.)

3. The middle four columns of each subtable will vary by table. The five most right hand columns display the same variables for each table, though the data will change with the unit listed.

4. Right hand columns: R% is Bush; D% is Kerry; O% is Others. Uppercase in W column indicates a Win over 50%, lowercase under 50%.

5. Units won by Republicans in RED/bold, units won by Democrats in BLUE, units won by Others in GREEN.
