

NON-CITIZENS

2000 Census of Population and Housing, Districts of the 108th Congress

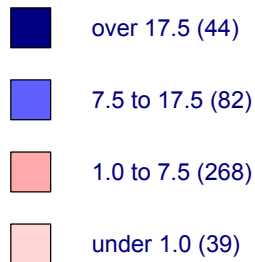

NOTES:

1) This map provides a national perspective only. Many urban districts are small in area and not readily visible here. District lines are visible only if districts are in different map ranges.

2. In addition, there are no maps included for Alaska or Hawaii. Values for AK and HI districts follow:
 AK: 2.7
 HI-1: 9.1
 HI-2: 4.9

3) The count of districts follows each range description. This count totals 433; it excludes AK and HI but includes DC.

% of Total Pop.

Value for Nation: 6.6
