POLIDATA (R) Demographic and Political Guides. All Rights Reserved. Copyright (c) 1997. Polidata, 3112 Cave Court, Lake Ridge, VA 22192, 703-690-4066.

1. Data formatted by Polidata from data collected from state authorities. Units won by the national winner, Clinton, are highlighted in bold type.
2. SEQ is the rank within the nation, CY is the FIPS County Code. (Refer to the County Detail tables, infra., for more information.)
3. The Tot Vote column may include votes for candidates whose votes are not listed. The O% column lists the percentage for all Remaining candidates. (Includes 'None' in NV.)
4. MARGINS are the numerical comparison between the candidate with the highest number of votes and the next highest. See the W(n) column for the winner of the county unit.
5. Uppercase in W column indicates a Win over 50%, lowercase under 50%. Margin listed in votes and percentage for winner of unit.
