<sup>1.</sup> Data compiled by Polidata with the assistance of the Republican National Committee, the National Republican Congressional Committee and the Cook Political Report.

<sup>2.</sup> Plan notes: NORTH DAKOTA. At-Large single member state.

<sup>3.</sup> BOLDING indicates unit won by REPUBLICANS. Plurality in UPPERCASE indicates unit won with a majority of the vote. RED for REPUBLICAN, Blue for Democrat. 4. PRESIDENT: 'Other' votes for President may include several candidates and may be inconsistent across all states. Exception: 'Other' is only Perot for 1992 & 1996.

<sup>5.</sup> The degree to which Presidential results were recompiled for new plans will vary by both the changes in the plan and resource availability. Centrally counted absentee votes may be excluded.

<sup>6.</sup> CONGRESS: After 1980, compiled from state reports; small differences may be noted from U.S. House Clerk reports. 'Other' votes for Congress includes all other parties. 7. For NY etc.: votes aggregated by candidate regardless of party; for LA: results included only for November election in which no more than one Dem or one Rep was on the ballot.

<sup>8.</sup> For AR, FL, LA and OK in some years and districts: uncontested races which are not on the ballot or for which votes are not counted appear here as 1 vote for the winner. [38A0A0A~psprcd21~FC17]
